

Are you missing friends?

“Wherever you go, Whatever you do,
We’ll be there, Supporting you”

Your Buddies will be available during school times on our emails and will be checking them between 10-11am and 1-2pm. The email support involves the pupils typing their feelings, problems and concerns. Assigned Buddies will take their time to read and respond with a well- thought- out supportive reply. If the Buddies believe that the pupil needs further support then we will direct them to someone who can help. We offer strictly confidential conversations but be aware that if we feel you are at risk then we will need to pass it on.

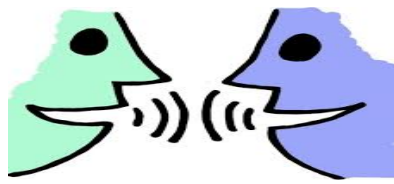

Goes Live on Tuesday 21st April 2020
