

The McAuley Catholic High School Sixth Form Student Motor Vehicle Agreement 2024/25

Student name	
Type of Vehicle	
Registration Number	
Make	
Model	
Colour	

I would like to bring my vehicle onto school grounds and use the Sixth Form Car Park. I understand that this is a Sixth Former's privilege on the condition that I will:

never use my vehicle to drive between sites during the school day
look particularly carefully when entering/leaving the congested sixth form car park
drive on the access road only, never across the yard
drive slowly and safely
wait patiently and not 'squeeze' between buses between 2:15 – 2:30pm
only use the Sixth Form car park and not park anywhere else on the Acacia Road or Cantley Lane sites or the bus loading areas
inform the Sixth Form Office if I need to leave my vehicle on site overnight
not display any inappropriate stickers or accessories
not bring take-away food or drinks bought off-site back on to school premises
park legally and considerately if parking in residential areas
report any driving/car related issues immediately to the Sixth Form Team
inform the Sixth Form Office if my vehicle details change
not beep the horn unnecessarily in or around school grounds
inform the sixth form office if I require recovery/repair services to attend my vehicle
not leave my vehicle idling for extended periods of time or 'rev up' unnecessarily
drive sensibly and not get involved with silly or dangerous driving behaviour

I have read and agree to the conditions above. I understand that I park my vehicle at my own risk and that school is not responsible for any theft or damage. It is my responsibility to secure my vehicle.

Signature: _____ (Student)

I confirm that my child has the appropriate insurance to drive the above vehicle
